

## **Memorandum of Understanding**

Between

**FORT HAYS STATE UNIVERSITY**

And

**GARDEN CITY COMMUNITY COLLEGE**

### **I. PURPOSE AND PARTIES**

The purpose of this Memorandum of Understanding (MOU) is to facilitate the seamless transition of students from **Garden City Community College (GCCC)** to **Fort Hays State University (FHSU)**.

### **II. SCOPE OF AGREEMENT**

As confirmed by the signature of its authorized representatives below, FHSU agrees to the following:

- FHSU will honor course credit earned under approved articulated programs (see attachments for approved programs) for graduates with a 2.0 cumulative grade point average (GPA);
  - It should be noted that certain degree programs, such as Teacher Education, Social Work, and Nursing, have additional GPA requirements for admission to their programs. If GPA is lower than the program's required GPA, students may enroll at FHSU, but will not be admitted into the specific program until the GPA and any additional program requirements are met;
- List all articulated programs with GCCC on the university website under appropriate page(s).

As confirmed by the signature of its authorized representative below, GCCC agrees to the following:

- Provide FHSU all pertinent information and requirements for individual programs that are part of this agreement;
- Promote FHSU coursework and degree programs to students seeking a four-year degree;
- Provide introductions between FHSU representatives and prospective students where appropriate;
- List all articulated programs with FHSU on the college website under appropriate page(s);
- Include FHSU in all transfer fairs and events where the partnership would have relevance.

As confirmed by the signature of its authorized representative below, both FHSU and GCCC agree to the following:

- This Agreement supersedes and replaces any and all previous transfer and/or articulation agreements between the parties.
- Continuously explore additional degree programs that can fit within this agreement;
  - New articulated programs can be added to this MOU through a mutually agreed upon addendum signed by both parties;
- Review the articulated programs to ensure consistency on an annual basis;
- Allow fair use of logos and trademarked material upon prior approval.

### III. DURATION OF AGREEMENT

This MOU is effective upon signing. It shall automatically renew annually upon the same terms on July 1. Either party may terminate this MOU with written notice to the other party sixty (60) days or more prior to the renewal date. If the MOU is terminated, students currently enrolled in the GCCC-FHSU articulated program at the time of termination will be permitted to complete their degree(s) under the conditions of this agreement.

### IV. CONCLUSIONS AND SIGNATURES

It is the intent of FHSU and GCCC that this MOU is in full force and effective as of the signature date(s) below. This MOU may be amended at any time upon the joint execution of a written amendment document by both parties.

IN WITNESS WHEREOF, the principals hereto have caused this MOU to be signed by their duly authorized principals.
